

# How to get to CERN from the Geneva Airport

---

You can get from the Geneva Cointrin Airport to CERN by **bus+tram, taxi, or train+tram**.

## By TAXI

Taxis wait outside of the arrivals gate. The average cost of a ride from the Airport to CERN is between 30 and 40 CHF.

CERN is on **385, Route de Meyrin**. Ask to go to entrance B (**entrée B**). You can also stop at the Reception, but it's closed on Sunday, and after 17:15 on the other days.

## By BUS (+TRAM)

Before getting out of the baggage claim, **print a free ticket for public transportation at the automatic machines** located at the baggage collection exit door. This ticket will entitle you to a free bus/tram/train ride from the Geneva Airport to your final destination, in and around Geneva.

Please note that, once you are out, you cannot go back in to baggage claim to print a free ticket. Anyways, if you forget to print it, you can buy a ticket at the automatic machines located at the bus stops ("tout Genève" button on the ticket machine, cost 3.50CHF).

### ➤ The easiest way: bus 10 + tram 14.

Go out of the airport on the same floor of the baggage claim, the bus stop is across the road. Take **bus n°10 direction 'Rive'** and get off at '**Bouchet**'. From 'Bouchet' take the **tram n°14 to CERN** (pay attention, the final destination must be 'CERN', not 'Meyrin-Grevière').

@ Geneva Cointrin  
Airport  
**Bus 10** → direction Rive,  
stop (arrêt) **Bouchet**

@ Bouchet  
**Tram 14** → direction  
CERN, stop (arrêt) **CERN**

➤ **Bus Y, direction 'Val-Thoiry', stop 'CERN'.**

It is a direct ride from the Airport to CERN, however, the service is not very frequent, with buses running every 30 minutes between 5.30 a.m. and 7.00 p.m. Mondays to Fridays, then every hour until midnight. On Saturdays and Sundays there is only one bus per hour, and **on Sundays it operates between 9.30 a.m. and 5.30 p.m. only** (for the CERN stop).

➤ **Bus 57+ tram 14.**

Take bus **n°57 direction 'Gare de Meyrin'** and get off at '**Blandonnet**'. From '**Blandonnet**' take the **tram n°14 to CERN** (pay attention, the final destination must be 'CERN', not 'Meyrin-Grevière').

➤ **Bus 28+ tram 14.**

Take **bus n°28 direction 'Parfumerie'** and get off at '**Blandonnet**'. From '**Blandonnet**' take the **tram n°14 to CERN** (pay attention, the final destination must be 'CERN', not 'Meyrin-Grevière').

### **By TRAIN to Geneva city + TRAM 14**

Before getting out of the baggage claim, **print a free ticket for public transportation at the automatic machines** located at the baggage collection exit door. Then, follow the signs to the train rails, without going out of the airport.

All **trains** that leave Geneva Cointrin Airport stop in Geneva Main Station (**Gare Cornavin/ Geneva RailCity**). Once you arrive, get out of the station and turn right: the tram 14 stop is under the railway bridge. Take the **tram n°14 to CERN** (final destination 'CERN', not 'Meyrin-Grevière').

If necessary, call **the official ICTR-PHE 2012 helpline: +41 (0)76 487 6025**.
